

5th Latin American Congress on
Biorefineries
From laboratory to industrial practice
January 7-9, 2019 - Concepción, Chile

www.biorrefinerias.cl

Sponsorship Rules

The **5th Latin American Congress on Biorefineries** will be held in Concepción on 7, 8 and 9 January 2019. Lectures, oral works, poster exhibition and parallel activities on the latest research and development in the areas of novel processes and bio-based products will be presented during the event. We invite you to share your knowledge and experiences in this great platform of dialogue and multidisciplinary discussion.

The organization offers the following benefits to the sponsors, depending on the participation category:

- 1. Incorporate your logo on the graph of the Congress.**
- 2. Right to banner installation in the area of cafes and poster session.**
- 3. Right to a space in the area of cafes and poster session during the event.**

Interested companies may opt to different categories of sponsorship as outlined below:

Category	Sponsorship Amount	Benefits
A	USD 800	1
B	USD 1.500	1 & 2
C	USD 2500	1, 2 & 3

Specific activities in each event such as official dinner, opening ceremony, lunches or poster sessions can also be exclusively sponsored under prior agreement with the organizers.
